

CHILE CHURCH PLANTING

The Bible College is Growing

In 2009 we launched the Chile Baptist College with 3 students. In these last seven years, God has called more to the ministry! Today 28 are preparing in the Bible college.

Since the beginning we've known the key to reaching Chile with the gospel is to train and send out the Chilean people.

By faith, we see where the multiplying affects will lead the Bible college. There is no doubt we must expand our plans, efforts, and infrastructure to adequately train the next generation. We will be sharing more news about this exciting step of faith in the next few weeks.

Students and teachers March 2016

Church Planting Conference

In April we had a record attendance for our 3rd annual church planting conference. Leaders from over a dozen local churches converged together for 3 days of workshops and services. Two pastors from our sending church, Austin Gardner and Robert Canfield, were the main speakers for the conference. God used this event to encourage many towards greater ministry involvement!

This is yet another reason why we need to prepare to train more workers at the Bible college.

Highlights

1. We enjoyed a few days with the Sparks' family. They'll be landing in Chile for language school at the end of 2016!
2. We still have a few openings for our upcoming furlough. Contact us soon to coordinate a time to visit your church.

Our family thanks you for your faithful prayers and financial investment in the ministry in Chile.

Jason, Lori, Katie, Joshua, &
