

CHILE CHURCH PLANTING

Men Training Men

I love this picture from the first Sunday in August. On the left is our Chilean pastor, Francisco, who recently graduated from the Bible college. Mauricio is on the far right. He enrolled in the Bible college earlier this year. In the middle, our friend José Luis is proudly holding his discipleship certificate.

Francisco is training Mauricio, and Mauricio is training José Luis. This is the **Biblical model!! Men train men.**

These three young men represent our ministry objectives in Chile!

As men train men, the pressing need for land to train pastors in Chile is more and more evident. Please continue to pray with us that God will supply for this opportunity.

How can you be a part?

- ◎ We need to raise \$250,000 to purchase property that will be used year-round to train church planters to reach Chile and beyond.
- ◎ Also, we need to raise an additional \$1,000 of monthly support to fund this growing ministry!

Any gifts can be sent to the support address below.

- Label gifts for the property - Chile Land Fund
- Label monthly support - Chile Church Planting
