

# CHILE CHURCH PLANTING

## 100K for Liberty

Three years ago God allowed us to plant *Iglesia Bautista Libertad* (Liberty Baptist Church) in a very needy area of west Santiago. Since then, by His grace, we've continued to see souls saved, young Christians disciplined, and men prepared for the ministry! **Our Sunday attendance has surpassed our seating capacity** forcing us to transition into two Sunday morning services along with our evening and midweek ones. Many Sunday mornings are still uncomfortably full. This is a great problem to have. But if it goes on too long, it will hinder growth.

Now it's time to invest in a permanent piece of land for this thriving local church. **We are asking God to provide \$100,000 dollars to help purchase land for Liberty Baptist. Would you pray about giving?** All gifts can be sent to: *Vision Baptist Missions, PO Box 442, Alpharetta, GA 30009, memo: Liberty Baptist Chile*

## Our Annual Winter Youth Congress

Thank you Pastor Jeremy Vance and Missionary Kevin White for speaking during our annual event.

It's winter in Chile! And as we have done each year for the past decade, all of our churches came together during the winter school break for 3 days of preaching, teaching, and fellowship. Our theme this year was "Not Ashamed" from Romans 1:16. Despite the cold, many decisions were made for Christ to continue boldly preaching the gospel to those who need Christ. Also, several young people surrendered to ministry!

Thankfully God has provided the Chile Training Center property this year! As more young people give their lives to serve in ministry, we are ready to equip them at the training center. Thank you again for praying and giving to make that possible this year!

### Highlights

1. Our family is now settled into our house only a few miles from the Chile Training Center. We're glad the move is over!
2. We had the opportunity to be in six of our churches in Chile this month. It's so encouraging to see the fruit of the ministry!

Our family thanks you for your faithful prayers and financial investment in the ministry in Chile.
