

CHILE CHURCH PLANTING

Student Apartment Underway at the Chile Training Center

Please pray for all the men and women who are preparing for the ministry at the Chile Training Center.

About two and a half years ago, the first pastor we trained for ministry, Cristian Alarcon, moved over 1,000 miles north to the city of Iquique, Chile. God has used him mightily to lead a church there to reach more people with the gospel. In the coming years, his goal is to plant multiple churches throughout northern Chile. We couldn't be more thankful for his family and the work God is using him to accomplish there.

Earlier this year, Cristian sent 2 young men from Iquique to train with us in Santiago. Next year, God willing, another young preacher will be coming to study. In order to continue training men from other parts of Chile, we need a student apartment at the Chile Training Center. Construction on the new apartment is set to start on September 10th! Thank you for giving to make the Training Center property possible!

Stephen Carrier: New Missionary to Chile

My friend, Pastor Jody Jenkins, brought a group to Chile last year. One of the young men on the trip decided to come back and serve with us for 6 months. His name is Stephen Carrier. During those six months, Stephen's dedication to God and the ministry was very obvious. He loved the people and adapted well to the culture. After spending six months here, God called him to be a church-planting missionary to Chile! Praise the Lord! This month he is starting deputation with Vision Baptist Missions. We are excited to work together to reach Chile with the gospel. Consider supporting this young missionary. You can reach him at (423)483-5381.

Highlights

1. Just days after letting you know about the need for 100K for land for Liberty Baptist in Santiago, a dear supporter gave the first \$500! Praise the Lord. Pray about this need and being a part of what God is doing in Chile. All gifts can be sent with the memo: Liberty Baptist Chile.

Our family thanks you for your faithful prayers and financial investment in the ministry in Chile.
